

Uluru Statement from the Heart

In the three weeks leading up to NAIDOC Week, the UNSW Indigenous Law Centre conducted a Seminar Series about the Uluru Statement from the Heart Dialogue. There were three 90minute meetings in this order: Voice; Treaty; Truth.

You can watch this series at this link <https://vimeo.com/ulurustatement>

It is recommended that you watch them in the order in which they were presented. The third seminar which was live-streamed last Thursday will be uploaded in the coming week.
